Mend Me

A D A D
New Years eve, and this is what I see
A D E
Staring at these faces staring back at me
D A G#m D
Sometimes insecure, but I know your love is pure

A D
I am broken - mend me
A D
Over backwards - bending
A D
For the love you're sending

A D A D
All the places that I've been
A D E
Still I can't escape this life of sin
D A
What I want to do I don't do
G#m D
And what I do I don't want to do

CHORUS

A
Days have come and days have gone
D A
And still I'm under siege
A G D
Everyday decisions make for which side to alleige
A Db Db7 D
Sometimes I just sit and cry for words I can't erase
A E D
All I have in this world is the promise of your grace

CHORUS

D D A
You made the universe, and you can mend me

### Mend Me

Okay This may not be totally correct, but according to my ear, and other people who listened to me play it, it's pretty close. So enjoy and pay attention.

Barre all chords

intro/riff1

g|--5b-----|  
d|-----7-7-7-----|

That may be a little off but it's cool and close.

still in intro

A D  
A D riff1

A D A D riff1  
New years eve and thi is what I see,  
A D E  
Staring at these faces staring back at me  
A D A D  
Sometimes insecure but I know your love is pure  
A D  
I am broken mend me  
A D  
Over backwards bending  
A D D-A  
For the love your sending

A D riff1 2x

A D A D riff1  
All the places that I've been  
A D A D  
Still I can't ecscape this life of sin  
A D  
What I want to do I don't do  
A D  
What I do I don't want to do

A D  
I am broken mend me  
A D  
Over backwards bending  
A D D-A  
For the love your sending  
A D D-A

^  
e|--12-----|  
^ ^  
b|-----12-14-----|  
g|-----14--12b---|

Now just play A and D in the background and do the same thing at the chrous except for this

A D pick on D  
You made the universe and you can mend me
