My Armor  
Old Gospel Song

## CHORUS:

There's not one hole in my armor,  
Jesus covered me well.  
I'll never fall if I wear it all  
Satan's darts cannot prevail.

1. He sent us forth to be His soldiers, to fight the good fight of faith.  
Knowing that Satan would try to defeat us with all the temptations we face.  
But He said we could be more than conquerors, filled with His love through and through.  
The victory is ours, He gave us the power to do what He called us to do.

2. We hold in our hands the sword of His Word. He gave us the helmet of grace.  
Girded about with His Holy Spirit, shielded each day by faith.  
We march with an army of fellow believers and carry a banner of love.  
But we'll lay it all down for a robe and a crown when we reach that city above.
