THE NAZARENE

C C/B
The Nazarene had come to live the life of every man
Am Em F
And he felt the facination of the stars
G
And as He wandered through this weary world
C C/B Am
He wondered and He wept
F G F C C/B
For there were so few who's listen to His call

Chorus:

Am Em7 F C C/B
He came, He saw, He surrendered all
Am Em7 F2
So that we might be born again
F G C C/B Am
And the fact of His humanity was there for all to see
F G F G C
For He was unlike any other man and yet so much like me

C
The Nazarene could hunger and the Nazarene could cry
C/B Am Em F
And He could laugh with all the fullness of His heart
G C C/B Am
And those who hardly knew Him, and those who knew Him well
F G F C C/B
Could feel the contradiction from the start

Chorus 2x
