No Room At The Inn  
Old Gospel Song

## CHORUS:

No room at the inn they told Joseph,  
No place for Mary to sleep.  
Surely they could see how worried was he,  
When told no room in the inn.

1. We read in the Bible, the true Word of God,  
How Joseph sought a place for Mary one night.  
Each place that he went, these words he was told,  
"No room at the inn for another soul."

2. The Christ Child was born to Mary that night  
His bed was a manger of hay.  
This won't be in vain if for Him you will wait,  
And let Him reign in your heart today.
