NOW I HAVE EVERYTHING

I had (G) nothing but (C) heartaches and (G) trouble,
I was (G) seeking for fortune and (D) fame.
I had (G) nothing but (C) doubts and con (G) fusion,
But (C) now I have (D) every (G) thing.

Chorus:

Every (C) thing I need to make me happy, (C, G)
I have Jesus to show me the (D) way.
He has (G) saved me and He (C) gave me life (G) eternal, (C, G)
And (C) now I have (D) every (G) thing. (C, G)

I was making big plans for my future,
I was living my lifetime in vain.
Then I prayed for life's only meaning,
And now I have everything.

Chorus:
