### OLD COUNTRY CHURCH

There's a [C] place dear to me where I'm [F] longing to [C] be  
With my friends at the old country [G] church [F-G-C]  
Where with [C] mother we went and our [F] Sunday's were [C] spent  
With our friends at the [G] old [F] country [C] church [F-G-C]

As a small country boy how my heart beat with joy  
When I knelt in the old country church  
And the saviour above by His wonderful love  
Saved my soul at the old country church

How I wish that today all the people would pray  
As we prayed in the old country church  
If they'd only confess Jesus surely would bless  
As He did in the old country church

Oft my thoughts make me weep for so many now sleep  
In their graves near the old country church  
And sometime I may rest with the friends I love best  
In a grave near the old country church

Precious [C] years of memories  
Oh what [G] joy they bring to [C] me  
How I hope once more to [F] be  
With [C] my friends at the [G] old country [C] church
