Starspin

G C
Surely the heavens declare the glory of God
Am7
The open skies proclaim the work of His hands
D G
They never stop putting His knowledge on display

G
All through the night and through the days
No Chord
Listen to the stars sing

G C
We are the dreamers from the other side
Am7
We are the dancers who cannot be denied
D G
We are messengers that no one can hide

C Am
And there is no language on earth
Em
Where their voices are not heard, they sing

Chorus
C Em Am G
People, people, surely the Lord lives
C Em Am G
People, people, heaven and earth are His
C Em Am G C D
People, people, lift your souls in wonder, in wonder

G C
The stars watch the sky and angels gather the wind
Am7
A call to the loveless, the listless, the dim
D G C
The King is alive, the King is alive, the King is alive

G C
Now we are the stars and if we're to shine
Am7
We'll hold out the truth, as we give lift up the light
D G
We are worshipers that no one can hide

C Am
And there is no language on earth
Em
