Steer Me On The Righteous Pathway  
Old Gospel Song

1. In our church house Sunday morning  
Sat a man unwelcome there.  
Judged by men and not by Jesus,  
He lifted up his voice in prayer.

CHORUS:

Steer me on the righteous pathway.  
Help me humbly to abide.  
Hold me to Thy precious bosom.  
Let me walk, Lord, by Your side.

2. Several silent moments followed  
It seemed there's no one in the room  
When a voice spoke like thunder  
Said, "Look for Me, I'm coming soon.

3. Such a change I never witnessed  
Tear-stained eyes were plainly showin'  
As they gathered 'round the stranger  
Sayin', "God bless you, you're welcome home."
