There's A Higher Power  
Old Gospel Song

1. When burdens seem to overcome. There's a higher Power,  
He's A faithful Lamb, refuses none. There's a higher Power,  
Then quiet men to help you through, There's higher Power  
They're helping pilgrims just like you . There's a higher Power.  
They sing and shout. Walk and talk. There's a higher Power  
Lay down your soul at Jesus' Cross. There's a higher Power  
Amen (Amen) Amen (Amen) There's a higher Power  
Amen (Amen) Amen (Amen) There's a higher Power

2. Go tell them People lost In sin. There's a higher Power,  
They need not fear the works of men. There's a higher Power  
Believe In Him and rest on high. There's a higher Power  
Unless they do they'll surely die. There's a higher Power  
They'll sing and shout. Walk and talk. There's a higher Power  
Lay down your soul at Jesus' Cross, There's A higher Power  
Amen (Amen) Amen (Amen) There's A higher Power,  
Amen (Amen) Amen (Amen) There's A higher Power.

3. These men have built these mighty guns. There's a higher Power.  
They've built these automobiles that run. There's a higher Power.  
But Brothers and Sisters mark this down. There's a higher Power.  
They can't give you no Heavenly Crown, There's a higher Power.  
They'll sing and shout. Walk and talk. There's a higher Power.  
Lay down your soul at Jesus' cross. There's a higher Power.  
Amen (Amen) Amen (Amen) There's a higher Power.  
Amen (Amen) Amen (Amen) There's higher Power.
