

Thirst No More

Thirst No More

By: Matt Frazier

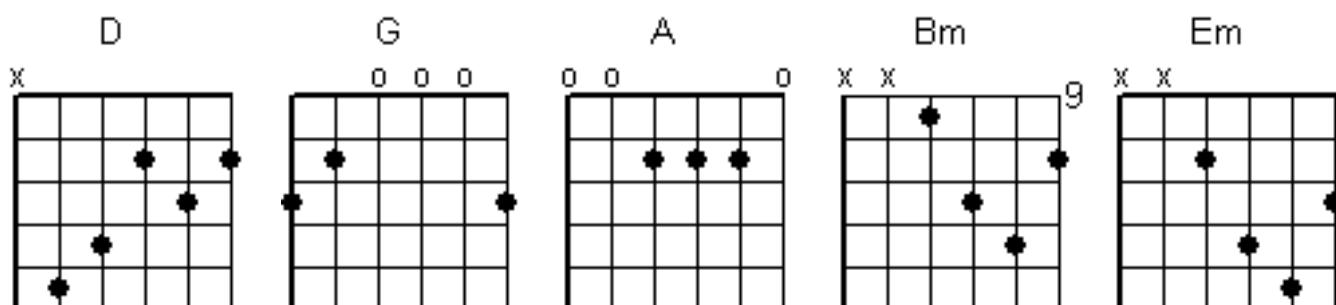

D
O Lord I'm thirsty,
G **A**
although I've had plenty to drink.

Bm
And Lord I'm hungry,
G **A**
hungrier than I would ever think.

Bm
You know me Lord
G
and all I've ever done
Em **A**
I come to the light, you make us one.

Bm
You show me the truth
G
of my present and past.
Em **A** **D G DG**
And offer me... The water that lasts!

D
I want to thirst, no more
G
I want to hunger, no more
Bm **G**
I want to live like Jesus is my Lord
Bm
I want to thirst, no more
G
I want to hunger, no more
F **Em** **D** **A** **D** **GDG**
I want to know that Jesus is enough for me.

F
