Too Many Miles

[G] Too many [D] miles [G] behind me.

[C] Too many trials are [G] through.

[C] Too many tears [G] help me to re [EM] member

[G] There's too much to [D] gain to [G] lose.

[C] Too many sunsets [G] lie behind the Mountain.

[D] Too many rivers my [G] feet have walked through.

[C] Too many treasures are [G] waiting over [EM] yonder.

[G] And there's too much to [D] gain to [G] lose.

I've crossed the [D] hot burning [G] desert.

[C] struggling the right road to [G] choose.

[C] somewhere up ahead there's [G] cool clear [EM] water

And [G] defeat is one [D] word I don't [G] use.

[C] Too many sunsets [G] lie behind the Mountain.

[D] Too many rivers my [G] feet have walked through.

[C] Too many treasures are [G] waiting over [EM] yonder.

And [G] there's too much to [D] gain to [G] lose.

[C] Too many treasures are [G] waiting over [EM] yonder.

Oh [G] there's too much to [D] gain to [G] lose
