When He Sees Me
Old Gospel Song

1. Looking down through the ages God beheld the dying soul,
Sin had brought separation, nevermore could man be whole.
There must come a Lamb, one who's blood alone redeems,
Bringing gifts to the Father of our souls made white and clean.

CHORUS:

And when He sees me, He sees the blood of the Lamb.
He sees me as worthy and not as I am.
He views me in garments as white as the snow,
For the Lamb of God is worthy and He washed me, this I know.

2. So He left that holy city, travelin' on to the cross.
Just to bridge the gulf to glory and to rescue all the lost.
By His blood He entered into the throne room of our God,
And on the mercy seat He placed it, salvation for us all.
