

Hesitating Beauty-crd
 Music by Jeff Tweedy
 Lyrics by Woody Guthrie

INTRO: G C G C2 D G D/F# EM Am7 D G C G C2 D G C D G (RYTHM)

G C2 D
 For your sparkling cocky smile I've walked a million miles

G C2 G
 Begging you to come wed me in the spring

C2 D
 Why do you my dear delay what makes you laugh and turn away

G C D G
 You're a hesitating beauty, Nora Lee

(CHORUS)

G C G C2 G
 Well i know that you are itching to get married, Nora Lee

G C G C D
 And i know how i've been twitching for the same thing, Nora Lee

G C G C2 D
 By the stars and clouds above, we can spend our lives in love

G C D G
 If you'll quit your hesitating, Nora Lee

(REPEAT INTRO)

That is the basic chord structure throughout the song, here are the rest of the lyrics:

We can build a house and home where the flowers come to bloom
 Around our yard I'll nail a fence so high
 That the boys with peeping eyes cannot see that angel face
 Of my hesitating beauty, Nora Lee

(REPEAT CHORUS)

(REPEAT INTRO)

We can ramble hand and hand across the grasses of our land
 I'll kiss you for each leaf on every tree
 We can bring our kids to play where the dry leaves blow today
 If you'll quit your hesitating, Nora Lee

(REPEAT CHORUS)

Alternative way is:
