

Hymn Lyrics

www.traditionalmusic.co.uk - Christian Hymn Lyrics.

High let us swell our tuneful notes

High let us swell our tuneful notes,
and join the angelic throne,
for angels no such love have known
to wake a cheerful song.

Good will to sinful men is shown,
and peace on earth is given;
for, lo, the incarnate Savior comes
with grace and truth from heaven.

Justice and peace with sweet accord
his rising beams adore;
let heaven and earth in concert join:
to us a Child is born!
