Verse 1

I have found a great salvation,
Glory to God!

From my sins I've liberation,
Glory to God!

I was sunk in misery,
Bound by Satan's cruel fetters.
But the Saviour set me free,
Glory to God!

Verse 2

Now my heart is full of singing,
Glory to God!

I am kept each day from sinning,
Glory to God!

O this joy, who can express?
For it never knows an ending;
I've a life of happiness,
Glory to God!

Verse 3

Sinner, you can have this blessing,
Glory to God!

Come to Christ, your sins confessing,
Glory to God!

Then your life shall happy be,
And in Heaven you'll have a mansion,
There to live eternally,
Glory to God!
