Verse 1

Plan our life, O gracious Saviour,
Call upon us in our youth;
May we be, with high endeavor,
Bearers of thy love and truth.

Verse 2

Hear us, Lord, our faults confessing,
We would be renewed within,
Then, when armed with inward blessing,
Shall our outward work begin.

Verse 3

Fill us with thy inspiration,
All our works confirmed by thee;
Let them be thy revelation,
Pure as thou wouldst have them be.

Verse 4

Give us courage when we falter,
Balance thought before the act,
Placing talents on thine altar,
Facing up to sternest fact.

Verse 5

With thy plan before us ever,
Keep us loyal to our aim;
Then shall all our life's endeavor
Glorify our Father's name.
