

Blessed Cross of Jesus  
Fanny Crosby, 1877.  
Hubert Main.

Wand'rer, come, there's room for thee,  
At the cross of Jesus;  
Come and taste salvation free  
At the cross of Jesus.

Refrain

Blessed cross! precious cross!  
There my hopes are twining;  
There I see a Father's love  
Through a Savior shining.

Come and bring thy burden now  
To the cross of Jesus;  
Lay thy burning, throbbing brow  
At the cross of Jesus.

Refrain

O what comfort thou wilt find  
At the cross of Jesus;  
Love thy broken heart will bind  
At the cross of Jesus.

Refrain

See the crimson waters flow  
At the cross of Jesus;  
Come and tell thy every woe  
At the cross of Jesus.
