

Christ Is Born(Davis)
Grace Davis, 1894.

Shepherds heard the glad refrain
On the early Advent morn,
And we join the heavenly strain:
"Jesus Christ, the Lord, is born!"

Refrain

The good tidings proclaim,
"Christ is born! Christ is born!"
Till the world shall believe in His name;
"Christ is born! Christ is born!"

As the wise men haste to meet,
And their costly presents give,
So we come the Christ to greet;
He our best gifts shall receive.

Refrain

"Glory in the highest" sing,
"Peace on earth, good will to men";
Let the bells of gladness ring,
Christ is born, Savior of men!

Refrain

Jesus Christ shall save from sin;
Praise Him on this Advent morn!
Let Him be enthroned within!
Christ is born! the Christ is born!
