

Christ Is Waiting

Orlando Grinnell, before 1895.

O sinner, listen while you may,  
For Christ can wash your sins away;  
He bore them all upon the cross,  
To save you from eternal loss.

Refrain

Waiting, waiting,  
Christ is waiting to save;  
Waiting, waiting,  
Christ is waiting to save.

Oh, come to Christ! do not delay,  
But seek His pardon while you may;  
Oh, come just now, and do not wait,  
Until the Spirit says, "Too late."

Refrain

Just as you are, oh hasten now!  
Confess your sins and humbly bow!  
His mighty grace He will impart,  
His blood will cleanse your sinful heart.

Refrain

Oh! can it be you will refuse  
To listen to such gracious news,  
And shut your ears, and close your eyes,  
And die the death that never dies?
