

Do Something for Jesus
Paul Arnold, 1922.

O brother, do something for Jesus,
Do something, my brother, today;
Go tell how He died for the sinner,
And save them from sin's rugged way.

Refrain

O brother, do something for Jesus,
Do something for Jesus today,
Be faithful to Him, life's battles to win,
Do something for Jesus today.

My brother, do something for Jesus,
O while not the moments away,
The Savior is tenderly calling,
Enlist in His service today.

Refrain

O brother, it pays to serve Jesus,
It pays to serve Him every day,
In Him there is strength for the weary,
And mercy sufficient alway.
