

Draw Me Closer, Lord, to Thee
Elisha Hoffman, 1898.
Anthony Showalter.

Draw me closer, Lord, to Thee,
Fold me in Thy love's embrace,
And unto my soul reveal
All the riches of Thy grace.

Refrain

Draw me closer, closer, closer,
Closer, Lord, to Thee;
Ever purer, purer, purer
Then my soul shall be.

Draw me closer, Lord, to Thee;
In Thy arms Thy child enfold,
And this earthly heart of mine
Into Thine own image mold.

Refrain

Draw me closer, Lord, to Thee,
In communion rich and sweet,
Till my soul shall be refined,
And in Thee be made complete.

Refrain

Draw me closer, Lord, to Thee,
For my longing soul aspires
To discover in Thyself
All it yearns for and desires.
