

God, Renew Us By Your Spirit!

John Dalles, 1992.

William Walker, 1835.

God, renew us by your Spirit!

Come in gladness, hearts console!

Grant us joy so we may share it!

Oh, restore us; make us whole!

God, revitalize our mission!

Bless your church from pole to pole!

May we overcome division!

Oh, restore us; make us whole!

God, revive each congregation!

Be our center and our goal!

Help us join in adoration!

Oh, restore us; make us whole!

God, refresh your whole creation!

Timeless is salvation's role!

Grant us boundless celebration!

Oh, restore us; make us whole!
