

Hallelujah unto Jesus
Mrs. W. J. Kennedy, 1903.
Howard Smith.

Hallelujah unto Jesus!
Now He lives to die no more;
Let all nations sing His praises,
Gladly sing them o'er and o'er.

Refrain

Hallelujah! Hallelujah!
Hallelujah! to our king!
From the tomb today He's risen,
Hallelujah we'll sing.

Hallelujah unto Jesus!
Who for us once bled, and died,
He is now o'er death, the victor,
Hail Him king the Crucified.

Refrain

Hallelujah unto Jesus!
Blessed firstfruits of the dead;
He our resurrection Surety,
Lives for us our risen king.

Refrain

Hallelujah unto Jesus!
Death is robbed now of its sting;
And the tomb for us is lighted,
Hallelujah to our king.
