

He Is Speaking to You
Lumir Ringsmuth, 1915.

Do you think of the Lord in the days of His grace?
When He smiles from His throne do you see His kind face?
When the toils and the cares of this life are but few,
Do you stop in your joy? He is speaking to you.

Refrain

Jesus is speaking, is speaking today;
Raise up the standard and put sin away;
Quit ye like brave men, and rise in your might;
Jesus is speaking today.

Do you pray to the Lord when He stands in your path?
When He shows you your sins, do you fear not His wrath?
And He says, "Turn to Me, I am love, I am true";
Do you pray and repent, when He speaks thus to you?

Refrain

Do you hark to His voice when he calls, "Follow Me!
I will cleanse and forgive, from your sins you'll be free";
You shall sing and be kind and to God always true,
If you'll hark to His voice, when He's speaking to you.
