

Hear the Chiming Easter Bells  
Camilla Knight, 1911.  
John Gower.

Hear the chiming Easter bells,  
Their joyous music ringing;  
Hear the children's happy voices,  
Easter carols singing.

Refrain

Ringin', ringin', singin', singin',  
Easter bells and happy voices;  
Christ arose on Easter day,  
And all the world rejoices,  
And all the world rejoices.

Angels came from Heav'n above  
To tell the wondrous story:  
"Christ is risen from the dead,  
The Lord of life and glory."

Refrain

"Seek Him not among the dead,  
The grave is not His prison;  
Go and His disciples tell,  
That Christ the Lord is risen."

Refrain

Christ the Lord is ris'n today,  
Salvation to us bringing;  
Easter bells, ring out your chimes,  
While voices glad are singing.
