

Jesus Set the Music Ringing
George Webster, 1919.
Austin Miles.

You ask what makes me happy the whole day long,
Why I am always singing a gladsome song;
Ah, well I do remember when song began to start,
'Twas Jesus set the music ringing in my heart.

Refrain

In my heart, He set the music ringing,
In my life a heav'nly gladness bringing;
Ah, well do I remember when song began to start,
'Twas Jesus set the music ringing, ringing in my heart.

I cannot keep from singing since that glad day,
When Jesus took, in mercy, my sins away;
He opened up a fountain whence streams of gladness start,
'Twas Jesus set the music ringing in my heart.

Refrain

His love each day is growing more sweet to me,
Each day new grace and beauty in Him I see;
For all this world can offer from Him I would not part,
Since He has set the music ringing in my heart.
