

Of't When the Day Is Dreary  
Mrs. Wyndham Heathcote, 1895.

Of't when the day is dreary,  
Of't when the storm clouds lower,  
Of't when my spirit's weary  
Jesus imparts His power.

Refrain

Jesus is near, burdens to bear;  
Weary one, Jesus will help thee;  
Jesus is near, burdens to bear;  
His blood from sin doth cleanse thee.

He bids me tell my story,  
Telling, He gives me rest;  
And while my sorrows sharing,  
Shelters me in His breast.

Refrain

Jesus, Thy heart is with me  
All thro' the darkest night,  
As when the sun shines clearly  
Making my pathway bright.

Refrain

Wondrous in love is Jesus,  
Sweet is the rest He gives;  
Sharing in all my toiling,  
While in my heart He lives.
