

Open the Windows of Heaven
Robert Staples, 1895.

Open the windows of Heaven,
Send showers of blessing just now;
Look on us, Lord, in Thy mercy,
While humbly before Thee we bow.

Refrain

Showers of blessing,
Fresh showers of blessing we need;
Showers of blessing,
For showers of blessing we plead.

Open the windows of Heaven,
Look tenderly on us in love
Coming in heartfelt contrition,
We pray Thee our sins hence remove.

Refrain

Trusting, we'll try Thee, and prove Thee;
All effort without Thee is vain;
Earth's greatest pleasures are fleeting,
Their loss is our infinite gain.

Refrain

Open the windows of Heaven,
And bless us for Thy dear Son's sake;
His blood shed for our redemption,
Our plea, only plea we now make.

Refrain
