

Some Blessed Day  
Edna Jacques, 1915.  
Bentley Ackley.

Some blessed day my Lord will call,  
And with a joyous heart I'll go  
Again to Him, my All in All,  
Who died for me, and loved me so.

Some blessed day life's lesson learned,  
And I shall call again to Thee,  
To whom my heart has ever turned,  
The Christ who gave His all for me.

Some blessed day at eventide  
When shadows creep before the night  
The pearly gates will open wide,  
And I shall pass into the light.
