

Through the Valley  
A. C. P. Crozier, 1883.  
George Root.

Thro' the valley of the shadow,  
Safe upon the other side,  
All our weary conflict over,  
There with Jesus satisfied.

Refrain

Thro' the valley of the shadow,  
Safe upon the other side,  
All our weary conflict over,  
There with Jesus satisfied.

There are depths we cannot fathom,  
There are heights we cannot reach;  
Lord, Thou knowest, only show us,  
Every lesson Thou wouldst teach.

Refrain

Very precious is the trial  
That uniteth us to Thee;  
Sever e'en the dearest union,  
So Thy glory we may see.
