

Walking with Jesus(Hall)

Lizzie Hall, 1915.

Ira Wilson.

Walking with Jesus, oh, fellowship sweet!

Walking with Him hour by hour;

Talking with Him, as I work for His cause,

Trusting in His mighty power.

Refrain

Walking and talking with Jesus, my friend,

Walking and talking with Him;

Oh what rapture divine, oh, what happiness mine,

As I walk and talk with my friend.

Walking with Jesus helps burdens grow light,

Making the trials grow dim;

Telling Him all of my joy and my cares,

Casting it all upon Him.

Refrain

Walking with Jesus while doing His will,

Wearing the yoke of His love;

Learning the patience that comes from His strength,

Gaining the grace from above.

Refrain

Walking with Jesus each day of my life,

Walking with Jesus, my friend;

Talking with Jesus as we journey on,

Till all life's journeys shall end.
