

Why Not Say Yes Tonight

Effie Loucks, 1901.

Louis Eichhorn.

O why not say Yes to the Savior tonight?  
He's tenderly pleading with thee  
To come to Him now with thy sin burdened heart  
For pardon so full and so free.

Refrain

Why not say Yes tonight?  
Why not? Why not?  
While He so gently, so tenderly pleads,  
O accept Him tonight!

For with you the Spirit will not always plead  
O do not reject Him tonight!  
Tomorrow may bring you the darkness of death,  
Unbroken by heavenly light.

Refrain

Take Christ as your Savior, then all shall be well,  
The morrow let bring what it may;  
His love shall protect you, His Spirit shall guide,  
And safely keep you in His way.
