

Everlasting Joy

1.

My sorrows were so many, my pleasures were so few,
my heart was always troubled and peace I never knew
Till fully I surrendered and Jesus took control,
now that everlasting joy is in my soul.

Cho.

Now I have that everlasting joy within,
since came Jesus took away my sin.
The moment that He blessed me and He made me fully whole,
He put that everlasting joy down in my soul.

2.

I'm drinking from a fountain that ever will run dry,
It's a well of living waters and it flows from on high.
I'm feasting on God's manna and praying every day,
and that everlasting joy is here to stay.

3.

I'm headed for a city one not made with hands,
I'm crossing over Jordan, I can see the promised land.
The waters will be parted and I'll be on my way,
and I'm crossing over Jordan I can say.
