

Let all Zion's watchmen arise

Verse 1

Let all Zion's watchmen arise
And answer their own calls
Let them, their own commission take
Themselves from the Lord's mouth

Verse 2

It's a very great work indeed
For which we need watchmen
It's a burden on angel's heart
And it fills the Lord's hands

Verse 3

They watch over one soul, for whom
The Lord left His glory
A soul who will have to be in
Eternal joy or loss

Verse 4

So, they also may see Jesus
As their Lord and Saviour
In watching their footsteps daily
Their hearts are kept for Him
