

Let It Fall On Me

1.

Elijah went to Mount Carmel;
to prove what God would do.
When he was put on trial;
Baal's prophets were there too.
Elijah built an altar - For all around to see.
Let the fire from heaven -
Fall on me.

Cho.

Let it fall on me;
Let it fall on me.
Let the fire of the Lord from Heaven-
Let it fall on me.
The power of the Holy Ghost;
The power that fell from Pentecost.
Let the fire from Heaven-Fall on me.

2.

We need this power from Heaven-
Within our soul today.
To guide us on our journey,
Along life's pilgrim way.
Lord send the fire from Heaven-
On all who've been set free.
Let the fire from Heaven-Fall on me.

3.

One hundred twenty believers-
went to the upper room;
To see God's power from Heaven,
They felt it would come soon.
Ten days and nights they tarried;
They cried, whatever be-
Let the fire from Heaven-
Let it fall on me.
