

Listen, Listen, Listen

1.

Listen, listen, listen can't you hear Him callin'
Can't you hear Him callin' from His throne on high?
Listen, listen, listen can't you hear Him sayin'
"Come drink of the fountain that never will run dry?"

Cho.

I read in the Bible of a cry that was made
in the wilderness for my soul.
Prepare to meet the Savior, He's coming down your way
with the words that will make you whole.

2.

I read in the Bible 'bout the woman at the well
She said, "Come is not this the Christ?"
He spoke of living waters and the myst'ries He would tell
It was given to men without a price.
