

Lord, Send Us Forth

Words: John Clements, 1908.

Music: Allen Sankey.

Lord, send us forth to preach the Word  
Wherever man is found;  
Till every soul of Thee has heard  
The whole wide world around.

Refrain

Lord, send us forth, O send today;  
Baptize us with Thy might;  
As heralds speed us on our way,  
To those who grope for light.

Lord, send us forth as those who bear  
Glad tidings from the throne;  
With joy the message to declare  
Till earth Thy sway shall own.

Refrain

Lord, send us forth, nor staff nor scrip,  
But only in Thy might;  
Thy Spirit touching heart and lip  
To guide and keep aright.

Refrain

Lord, send us forth, the faith supply,  
The sowing time is ours;  
Thine be the harvest by and by,  
Beyond the gracious showers.
