

Speak Lord In The Stillness-Ira Sankey

Speak Lord In The Stillness,
While I Wait On Thee;
Hushed My Heart To Listen
In Expectancy.

Speak, O Blessed Master,
In This Quiet Hour;
Let Me See Thy Face, Lord,
Feel Thy Touch Of Power.

For The Words Thou Speakest,
"they Are Life, Indeed;
Living Bread From Heaven,
Now My Spirit Feed."

All To Thee Is Yielded,
I Am Not My Own;
Blissful, Glad Surrender-
I Am Thine Alone
