Any Tipperary Town

A7 D
Are you going across to Ireland
D7 G
Will you take me in your car
D A7
I'm sure you'll find my conversation sound
I canD] pay my way entirely
D7 G
I'll enjoy your company
G A7 D
Leave me off in any Tipperary Town

Sure there's Cashel Tipp and Lorra
Old Borris and Clogheen
You can take me where I've never been before
In Dundrum, Roscrea or Carrick
In Thurles or Clonmel
Or my birthplace by the town of Templemore

Chorus

Leave me on the road to Nenagh
Where the rippling Shannon calls
And the Arra Mountains join the Silvermines
I'll be happy too in Cahir
Where the Galtee shadows fall
I'm at home in any Tipperary Town

I relive again the memory
Of days I used to know
Ere I let my wandering dreams invade my mind
In that little town of Emly
I knew so long ago
How I rue the day I left it all behind
