

## **Blanket On The Ground**

**G**  
Oh come and look out through the window,  
That big old moon is shining down, **A**  
Tell me now dont it remind you of the blanket on the ground, **D** **G**  
Remember back when love first found us,  
We'd go slippin out of town, **A**  
And we' love beneath the moonlight, **D**  
On the blanket on the ground. **G**

(Chorus)  
**G7** **C**  
I'll get the blanket from the bedroom,  
And we'll go walking once again, **G**  
To that spot down by the river, **D**  
Where our sweet love first began, **G**  
Just because we are married, **C**  
Dont mean we can't slip around, **G**  
So lets walk down through the moonlight, **D**  
And lay the blanket on the ground. **D7** **G**

Oh remember how excited,we used to get when we were young,  
That old moon was our best buddy,we couldn't wait for night to come,  
Now you know you still excite me,I know you love me like I am,  
Just once more I wish you'd love me on the blanket on the ground.
