

## **Bright Blue Rose**

**D** **G**  
I skimmed across black water,without once sub-merging,  
**D** **A**  
Onto the banks of an urban morning,  
**D** **G** **D** **A** **D**  
That hungers the first light much,much more than the mountains ever do,  
**D** **G**  
And she like the ghost beside me,goes down with the ease of a dolphin,  
**D** **A** **D**  
And emerges unlearned un shamed unharmed,  
**D** **G**  
For she is the perfect creature,a natural in every feature,  
**D** **A** **D**  
And I am the geek with the alchemist stone.

(Chorus)

**G** **A** **D** **G** **A** **D**  
For all of you must discover,for all who seek to understand,  
**G** **A** **D** **D**  
For having left the path of others,you'll find a very special hand.

And it is a holy thing and it is a precious time,  
And it is the only way,  
Forget-me-nots among the snow,it's always been and so it goes,  
To ponder his death and his life eternally.

One bright blue rose out-lives all thoes,two thousand years and so it goes,  
To ponder his death and his life eternally.
