Gin a body meet a body,

Comin' through the rye,

Gin a body kiss a body,
G D7 G
Need a body cry?

 G D7 G D
Yet a' the lads they smile at me,
 G D7 G
When comin' through the rye.

Gin a body meet a body,
Comin' frae the toon,
Gin a body greet a body,
Need a body froom ?
Among the train there is a swain,
I dearly love mysel',
But what's his name or what's his hame,
I donna care to tell.
