## (Chorus)

So all around me hat I wear a tricolour ribbon All around me hat untill death comes to me And if anybody's asking why do I wear it It's all for my own true love I never more will see.

He whispered goodbye love old Ireland is calling High over Dublin our tricolour flies In the streets of our city the foeman is calling The wee birds are whistling old Ireland arise

His bandolier around him his bright bayonet shining His short service rifle a beauty to see There was joy in his eyes though he left me repining And started away for to make Ireland free

In praying and waiting the dark days passed over The roar of the guns brought no message to me I prayed for old Ireland I prayed for my lover That he might be saved and oldIreland be free

The struggle was ended they brought me the story The last whispered message he sent on to me I was true to the land love I foughtfor her glory And gave up my life for to make Ireland free.
