With memories   that never die.

There's no one could be  so  sad.

      G            G6   Fdim
With gloom ev'rywhere, I sit and I stare;

   D             B7      Em7  A7+5
I know that I'll soon go mad.
