I ain't got nothing to give  
 My life is an endless climb  
 My love's a paperback dream  
 I don't have nothing but time  
 I ain't got a thing to show  
 I don't know my own name  
 So don't go fooling around  
 And set my wheels aflame

Down in the dark of a beat out soul  
 There's a few good second hand dreams  
 Deep in the dark of a heavenly night with you  
 Down in the black of a bottomless hole  
 There's a few good second hand scenes  
 Deep in the dark of a heavenly blue  
 Where the sea runs green

I ain't got nothing to hide  
 My mind is an endless wire  
 I got both feet on the ground  
 I don't have no one for hire  
 I ain't got a thing to show  
 My life is an endless climb  
 My love's a paperback dream  
 I don't have nothing but time
