Jessi-Jo said you had better not stray, you have only promises
 Jessi-Jo said you had better stay home from the ice fields far away
 Oh Jessi-Jo where did you go, polar bear on my right
 Jessi-Jo I need you now
 I'm flyin' blind tonight, flyin' blind tonight

Jessi-Jo said you had better not go to the place with the snow and the ice
 Jessi-Jo said you had better beware, understand and take my advice
 Oh Jessi-Jo where did you go, there's an oil rig on my right
 Jessi-Jo I need you now
 Flyin' blind tonight, flyin' blind tonight

Jessi-Jo said you had better not stray, all we have are promises
 Jessi-Jo said you had better stay home, from the ice cap far away
 Oh Jessi-Jo where did you go, polar bear on my right
 Jessi-Jo I need you now, flyin' blind tonight
 Oh Jessi-Jo where did you go, do you feel all right
 Jessi-Jo I need you now
 I need you here tonight, flyin' blind tonight
