

## I'll Tag Along-crd

(G) (D/F#) (G7/F) (Am7) (C/D) (D7)

(G) You've got (D/F#) time enough for (G7/F) two of us  
 (Am7) What is mine I will (C/D) share (D7)  
 (G) We've got (D/F#) things that we can (G7/F) do without  
 (Am7) Most anytime any(C/D)where (D7)  
 (G) Every little (Am7) daydream that ap(G/B)pears in all we (C) do  
 (G) Gives us some (Am7) problems of our (C/D) own (D7)  
 (G) If you (D/F#) turn back to that (G7/F) page again  
 (Am7) And you can't win  
 (C/D) If you ask (D7) me I'll tag a(G)long (Am7) (G/B) (Bbo) (Am7) (C/D)

Paper matches in the afternoon  
 Cups of tea and all of that Zen  
 I think it's time we took a walk outside  
 It seems there is no oxygen  
 This time tomorrow we might all be packed and gone  
 I believe it's best we carry on  
 Smoke rings rising til they disappear  
 In the sky above  
 If you ask me I'll tag along

Each and every bad dream will be hammered into dust  
 When we get back where we belong  
 If you ever turn that page again  
 And you need a friend  
 If you ask me I'll tag along

This time tomorrow we might all be packed and gone  
 I believe it's best we carry on  
 Smoke rings rising till they disappear  
 In the sky above  
 If you ask me I'll tag along
