

## If Children Had Wings-crd

(Em) (Am7) (D7) (Gmaj7) (Cmaj7) (Am7) (D7) (G) (Twice)

There's a love I hold (C) dear  
 And it (G) shines through each (Em) year  
 And it (Am) makes things seem (Am/G) different some(D/F#)how  
 It's for (Em) better or (C) worse  
 It's for (G) people who (Em) thirst  
 For a (Am7) love that burns (D7) brighter right (C) now (G/B) (Am7) (G)

And it shines on and (D) on till all (Em) sadness is (Dm7) gone  
 And if (C) children had (G/B) wings I would (Am7) sing them their (D) song  
 With a (Em) smile on my (C) face and a (G) tear in my (Em) eye  
 Every(Am7)thing will be (D7) fine by and (C) by (G/B) (Am7) (G)

There were things that were said  
 There were things that were done  
 And a wife cannot stand too much pain  
 And what I thought was best  
 Couldn't please her much less  
 But my love still goes on, that don't change

And it shines on and on til all sadness is gone  
 And if children had wings I would sing them their song  
 With a smile on my lips and a tear in my eye  
 Everything will be fine by and by

And it shines on and on til all sadness is gone  
 And if children had wings I would sing them their song  
 With a smile on my face and a tear in my eye  
 Everything will be fine by and by
