

### If You Need Me

If you want to know all reasons  
For the things I feel inside  
You can run away and hide  
If you want to  
But if you need me  
Show me a way to get through  
'Cause I've not seen anyone like you  
Since I was a man

If you want to know for certain  
What is written in my soul  
Where my wildest dreams unfold  
Like an endless stream  
If you need me  
Show me a way to walk tall  
'Cause I've not seen anything at all  
Until I met you

Sun lights up the seasons  
Blue eyes light up the night  
If you want to know the meaning  
Of these feelings, that's all right  
I could be with you tonight  
That's where I'd like to stay  
If you need me  
Show me a love that is true  
'Cause I've not seen a woman like you  
Since I was a man

If you want to know what magic  
Lies beneath the haloed moon  
In each corner of each room  
Where my love has strayed  
If you need me  
Show me a way to walk tall  
'Cause I've not seen anything at all  
Until I met you

If you need me  
Show me a way to get through  
'Cause I've not seen anything like you  
Since I was a man
