I hate to see you lonely losing me this way (A) (A7) (A) (Ab5)

(D7) Looking for the man who stole my love from me

(A) (D7) (A) (A7) (A) (Ab5)

Got to make your mind up if you're gonna stay
I don't see no sense in anything you say

Since you met the guy who told you I was wrong
You do all the living while I do all the giving
My pony won't go, he can't find no oats to eat

Got to make your mind up every single day
I hate to see you lonely losing me this way

Looking for the man who stole my love from me
Got to know the reason why my baby's leaving
My pony won't go where I want him to go no more
